## 2 Kurrajong Street, Captains Flat

### Renovated 1950's Cottage

Here is a 1950's cottage that has been renovated in neutral colours which blend with hardwood flooring and periodic features.

A two or three bedroom home with modern kitchen, 1 bathroom and carport and lock up garage.

From the front door you enter into a living room with a fireplace. The original hardwood flooring has been sanded back and are ready to be polished or lime washed depending on your taste.

The third bedroom or second living area is at the rear of the property and lends itself to being opened out onto a deck which could also flow from the kitchen. This addition would not only add more entertaining space but would add capital value to the property.

The other two bedrooms have lovely windows and the bathroom is accessed from here also.

Periodic features are very sort after, doors, windows, flooring, fireplace and kitchen style are all part of what makes this such a great home or investment property.

Lock up garage and a car port at the rear are accessed from a laneway.
