

Timbertops

Timbertops is a hidden gem right in the middle of Tallaganda State Forest. Set over 260 acres of amazing never harvested forest it has so many little wonderful and surprising pockets. Discover them on horse back, bushwalking, mountain biking or on a trail bike.

Tree fern gullies and huge Gums trees towering over head provide an array of wildlife habitat. The more you spend time exploring this property the more you will fall in love with it. Never run out of firewood here or maybe its make furniture from your own woodlands or build a log cabin in the forest.

The block has a building entitlement or would make the perfect getaway for the weekend camping and outdoors lover. The video attached will show how large the land is and the considerable amount of private bush land that could be yours.
